

John A. McTevia

Professional Profile:

John A. McTevia has been associated with McTevia & Associates for over 25 years. McTevia initially worked with the firm during the periods when it served as Receiver and Trustee in the Federal Bankruptcy Courts across the country. He specializes in marshaling assets and securing the property of those engagements where the firm is retained to wind down and liquidate the assets of a company. A licensed Real Estate Broker in the State of Michigan, McTevia's focus is on a restructuring, sale or liquidation of the commercial and industrial real estate portion of the assets.

John A. McTevia presently works on engagements that require an analysis of the real estate segment of assets and then developing marketing information and proposals that outline the various options available for the client. In those matters where the real estate segment of a particular engagement requires interim management or monitoring, McTevia's expertise in the management and sale of commercial and industrial real estate provides the firm this added value service to its clients.
